

## VOLUNTEER AND SERVICE PARTNERS

### YOUR Club/Organization Can ACT AT HAUNTED HIGH

Help OPEF raise money, have fun and help Your Club raise money too!

A Partnership with major club/organization at high schools or colleges

**This program is available for clubs or organizations at high schools and colleges outside of the Oconomowoc School District – must be approved by the Haunted High Outreach Manager**

#### What is Haunted High and Why are You Needed?

The 80,000 square foot “haunt” is designed in such a way that it requires 80 volunteers per night to serve as “spooks”. These actors range in their abilities from adults with theater experience to high school kids with none. We have “roles” for them and we provide character profiles upon check-in. We provide costuming, make up and hair/wigs but some more “expert” volunteers like to create their own haunted look before arriving to check-in, and they are welcome to do that!

We aim every year to raise the quality level of our spooky actors and would like to invite YOUR CLUB – or actually ANY STUDENTS OR ADULTS – to take part. Attached is a form for volunteering – all dates, categories of roles, etc., are outlined on it - although we ask all volunteers to **register online** using our automated Volunteer Registration process. (Found on our Home Page: [www.hauntedhigh.info](http://www.hauntedhigh.info))
